# A NEW WAY OF LIVING SHAPED BY A NEW WAY OF THINKING

# THE WORLD'S NEIGHBOURHOOD

A young successful entrepreneur by day and socialite by night.

An exuberant individual in constant search of new experiences in a multi-cultural society.

Pushing limits and boundaries not just in aircraft engineering but also his own physics as a boxer. Stronger, faster and never stopping.

Calm, elegant and composed both as an investor and a professional dancer. The choreographer of her life. Each step; always a precise and perfect move.

An academic professor who is more than meets the eye. Living another life as an experiential multi-disciplinary artist who explores new ways to visualise, taste and transcend.

# ANEW WAY OF LIVING SHAPED BY A NEW WAY OF THINKING

TMW Maxwell is a collection of multi-hyphenate spaces for tomorrow's multi-hyphenates. Truly-local, super-connected, hugely-productive globalists whose passion, curiosity and occupation defy categorisation and labels. TMW Maxwell is a new way of living shaped by a new way of thinking.

# PART HOME / PART OFFICE / PART PARK / PART GALLERIA

Ascending from the pedestrian level in a breathtaking crescendo right up to the peak, these gardens are principally designed based on duality - versatile green spaces that adapt and change throughout any given day. While levels and amenities from the 4th storey onwards are exclusive to residents, the overall facade draws the admiration of all.
